 Steve, and my other friends and I
 gave me by comic books, talking
 to battle biolite, Destroyah, Gigan,
 Anguirus, King Gidorah, Mechagodzilla,
 and Godzilla's other enemies, etc.

Biolante is a plant monster with
4 arms that have mouths. Destroyah
is a monster who took down Godzilla
in the first place. Gigah is a robot
who has a spinning belly and sharp
arms. Angurios is a monster who
rolls into a ball for spinning.
King Ghidorah is a three-headed
dragon who bites and his wings.
Mecha Godzilla is also a robot
but he does shoot missiles and
another monster like Godzilla.
So first, I battle Biolante the
plant monster. Biolante is very
big. She is bigger than Godzilla
but she is too slow for me to
fight, so she might be bigger than
me, but I will still be fast enough
to take Biolante down. I have
defeated Biolante with my powerful
fire breath. Next, I battled Destroyah.
Destroyah had a horn that is very
pointy. I became busy by taking
to defeat Destroyah. My friends also
saw me battle the monsters myself.
I have defeated Destroyah. Biolante
has appeared again. I will be so
powerful to defeat Biolante again.
My friends were amazed that
I would defeat Biolante.
Amy Rose appreciates how I defeat
Biolante and Destroyah, and Amy
Rose gives me a special badge.
