Next, I had a race with Sonic the hedgehog, the Flash, Speedy Gonzales, the Road Runner, and Lightning McQueen. Next, the care bears showed up, Amy Rose sees me in my karate suit, and she gives me a kiss, so Amy Rose did other things to Sonic, and she gives him a kiss.

and we all counted down to the fireworks  
show. And when the show was over, Amy  
Rose appreciates me on stage, and Amy  
gives me a special hug and kiss for  
me in my suit. My face went as red  
as James' paintwork and knuckles, so  
I can lift heavy things like knuckles.  
And I can lift them, I can lift many  
things, so next, I had a good time  
with my friends, so they could see me  
on the stage. Next, I was the fastest  
runner. I had a race with Sonic, the

again and I won. Next, I had to battle  
with Vader, that is Darth Vader. I  
had a lightsaber and the force to  
defeat him. And I kept battling Darth Vader  
and did not get tired for the win. I have  
defeated Darth Vader again. Amy Rose,  
Rogue, Glicks, Blaze, Cream, Peach, Daisy, Ariel,  
and Alice appreciate how I defeated  
Darth Vader, and they jumped on me for  
hugs and kisses, which means my face went  
even more red than James' paintwork  
and knuckles. Amy Rose appreciates how I  
defeated Darth Vader and the other villains,  
and Amy Rose gives me a special hug and  
kiss, so I chuckled even louder than Spidey.
