What me and my friends saw Godzilla
battle his enemy monsters, we saw
him transform into burning Godzilla, Godzilla
defeated his enemy, and he still became
the King of Monsters. And I saw Godzilla
go back into the sea and go home. And
we saw Sonic the hedgehog battle
his enemy Shadow. And I had to battle
Shadow next. Shadow and I had the race
together, Sonic, Mario, Amy Rose, Luigi, and
the other characters all saw me in
front of the other racers, so they saw
Shadow in front of me, but I caught
up with him. The announcer saw Shadow and
I crossed the finish line to see who
was the winner. The announcer saw
the winner. The winner was me who
crossed the finish line with a long
leg. I got a special trophy from the
announcer again. Shadow tried to get
in front of me, but I was too fast
for him. Amy Rose saw me defeat
Shadow in the race, so did my other
friends, too. Shadow and Dr. Eggman failed
their mission to defeat me. And I
would be brave against Shadow when
I will transform into Super Jacob.
I became powerful enough to defeat him.
And we saw the monsters from Scooby Doo
that I could take down again. And I
could see those monsters try to defeat
me, but I would win again. They Chitty
Chitty Bang Bang should up and the good guys.

And I would defeat Baron Bomburst
and his queen, the children battle the
king's guards, and I would have a plan
to capture the king and queen, Mr. Potts
and Truly would see me and the children
capture the queen and save Mr. Potts'
children, Chitty Chitty Bang Bang would
give us a ride home with my friends and
family. The Child Catcher tries to catch
me, but I set a trap to capture him.
Mario, Sonic, Amy Rose, Luigi and the
other characters agreed about me saving
Mr. Potts' children, Baron Bomburst and the
queen would not like me to defeat the
king and queen. The two spys want
to have a plan to steal the car, but I
have beaten them up without taking the
car. Godzma also showed up in the
Chitty Chitty Bang Bang, we got the bad
guys and we have our victory, and
I helped Mr. Potts and Truly in the
doll disguises and we will distract
the king and queen. Once we went to the
beach with Truly and Mr. Potts, Sonic,
Mario, Amy Rose, Tails, Luigi, Batman, Harry
Potter, Yoshi, Knuckles and the other characters,
and I will swim with all my friends from
Chitty Chitty Bang Bang. Amy Rose appreciates
how I can swim in the water very
well, and she gives me a special
treat, a hug and kiss, so Amy gave me
a hug and kiss. My face really was
as red as James' pom-pom and Knuckles,
