My friends celebrated my victory. I had my stretchy arms to go in the sky like Spiderman's webs, and I became super tough. Next, I battled with Dr. Eggman, Bowser, the Joker, the DC Villains, the Disney Villains, and even my biggest enemy. And I have defeated the villains for the last time. I also defeated Dark Vader, and I defeated the DreamWorks Villains. Next, we all celebrated my victory. Dora, Boots, Berry, Tim, Issa, and the Garba got a gift showed up.
