"Super Jacob and his friends" Jacob  
 with vocabs. <sup>3</sup> You used each  
 My friends and I would analyze the  
 problem in the puzzle. The analysis  
 is what we are looking for, Sonic,  
 Mario, Amy Rose, Luigi, Blaze, Rouge, Peach,  
 Tails, Knuckles, Sticks, Batman, Yoshi, Harry  
 Potter, and my other friends would  
conduct, we also saw the conduct  
 about the villains and their master.  
 I would also find to fight the  
 villains. It identifies I would fight  
 them myself, my selectivity would be  
 my friends are inclined about the  
 villains, Mario and Sonic's it it would  
 be like their enemy on the list. We  
 would have our selective of hearing  
 a big voice. It was Godzilla, the  
King of all monsters, so I would hope  
 when we watch a movie, it will resonate  
 with me and my friends. I was also  
judicious, next, I would see the  
transcription about what is on my  
 list. My list would stem real hard  
 because of my hard work again.  
 Amy Rose saw me transcribe the  
 way to defeat the villains, and I  
 would transform into Super Jacob with  
 gold powers this time. I must do  
 their plans verbally. Even my  
 friends would see me analyze the  
 things on my list. And I would  
 also conduct the villains for defeat  
 them. Sonic and Mario would transcribe  
 on the computer about me with my friends

sonic, me, Eric, Spangobob, Amy Rose, flight mnt.  
Blaze, Luis, Yostis, Jails, Francisco, Bausey,  
Peach, Daisy, Timmy Monty, Tak, Botny, Timmy  
Turner, Botny, Harry Potter, and my other  
friends saw me analyze the problem with  
villains and other trouble stuff. Dr. Eggman  
would conduct the problem about the  
villains and their defeat. Incidentally, he  
would see me take down Dr. Eggman's robot  
that I would fight. Dr. Eggman, the Disney  
villains, Bausey, DC Villains, and the other  
villains would resurrect the things I defeat  
me. Dr. Eggman told Shadow to defeat me.  
The villains were inclined to take me  
down. I had a race with Shadow the  
black hedgehog for the first time. And  
I beat Shadow in the race, so Dr. Eggman  
failed his mission to defeat me. Bausey's  
initial would be so bad to take me down.  
The conduct about my victory would  
be my mission to defeat me. Sonic, me, Eric,  
and my other friends are kids for character.  
We would also resurrect the problem about  
the giant robot that I took down. The bad  
villains are inclined about their defeat.  
And I want to transcribe the kids for  
character. My friends appreciate how I  
would transcribe and stem the things about  
the villains defeat, and I become Super  
Tacob. My initial was wonderful about  
everything. Amy Rose gives me a kiss  
for the selectivity about my list of stuff.  
Incidentally, my face went as red as Francisco.
