

5/8/21 15 Super Jacob and his friends Jacob
super Jacob vs Bowser Collins

I have battled the star of sand
and I have won. Next I had to
battle Bowser and he captured
princess peach. And I am ready to
battle him. First I had to
battle all 8 of the Koopa kids,
and I had to battle all the
Koopa kids first before I battle
one each and I defeated them
with one try but they are still
alive. And once I defeated the
first one, I moved on to the
next world and I kept going
until I got to all the other
Koopa kids and once I moved on
to world 3, I have heard levels
to go through but I avoided
to it. And once I defeated the
other ones I moved up to world
number 4 to defeat cookie pie.
And once I made it to the
levels in world 4, I am ready
to go in the castle where cookie
pie is. I have defeated her and
I will defeat the rest of the
Koopa kids. And once I moved up
to world 5, I got to battle
hard enemies that are hard to beat
but they are too easy. And I
defeated them and moved up
to the castle and I defeated
the fifth Koopa kid and moved up
to world 6. I got many gold coins.

And I got 3 big gold coins in
each level to win the battle
and buy stuff. And once I made
it to the world 7 castle, I fought
Bowser Jr and Koopa Kid 7, and I
defeated those two. And once I got
to the final world castle, I got
to finally battle Bowser and his
Koopa Kid 9. And once I reached to
Bowser to battle him, princess
peach was captured in a cage so
he trapped, I got Bowser down and
I tried to rescue peach. The Koopa
Kids used their hands to throw
Bowser into a giant. Bowser
used his hands to take medals
and once I reached on top, I saw
a big fox that is big enough to
defeat Bowser. At this point over
Jacob I will fight you again
soon, said Bowser. I got to celebrate
my victory and peach is rescued
from Bowser. She wrapped her arms
around my neck and gave me a
kiss on my cheek. My face felt
red and warm, then I carried her
back to my friends. I collected
some coins. My friends were waiting
for me to come to princess peach
castle. They gave me a good
party and crowned me as the
Jacob, princess peach and Amy rose
