He missed the ramp to receive  
a 5 second penalty, I was back 9,  
And max-D got the lead with

I came second with a 9.797,  
max-D and Tom Meents was  
2 wheel skill, and last is freestyle  
max-D still has the lead with  
a 9.465, and once I came out the  
grave diggers, I gave my friends  
some huge air, a cork screw,  
a regular backflip, and a long  
moonwalk to jake with a score  
of 9.812, sah was bigger tried  
to knock me out of the lead,  
but he came second with a  
9.705, and I became the overall  
event champion in AHA star, Texas,  
I said, "man! this is so wonderful,
